UPGRADE Visitor Registration

The screenshot displays the Procurement Corner website interface. At the top right, there are links for "Market Your Business" and "Log in / Register". The main navigation bar includes "Partnership Request", "Events", "Services", and "Contact us". The Procurement Corner logo is visible on the left. A modal window is open in the center, titled "Sign In" and "Register". A red arrow points to the "Sign In" tab, which is labeled with a yellow circle containing the number "1". The modal contains two input fields: the first contains the email "RonaldSanford@TZTechnologies.com" and the second contains masked characters ".....". Below the password field is a checkbox labeled "Remember me" and a link "Forgot your password?". A blue "Log In" button is at the bottom of the modal. At the bottom of the page, there are search bars for "Keyword, NAICS Code, Vendor Name..." and "Enter location...", followed by a "Search" button.
